UNITED STATES DISTRICT COURT

SURGICAL INSTRUMENT SERVICE
COMPANY, INC.,

Plaintiff,

v.

INTUITIVE SURGICAL, INC.,

Defendant.

Case No. 3:21-cv-03496-AMO

**INTUITIVE'S OBJECTIONS TO
PLAINTIFF SIS's AMENDED TRIAL
EXHIBITS**

The Honorable Araceli Martínez-Olgún

1 Defendant Intuitive Surgical, Inc. (“Defendant” or “Intuitive”) hereby submits Intuitive’s
2 Objections to Plaintiff SIS’s Amended Trial Exhibits as submitted in the Parties’ Amended Joint
3 Trial Exhibit List (Dkt. 377). Intuitive serves its objections subject to the following reservations:

4 Defendant reserves the right to modify, supplement, amend, or withdraw its objections to
5 any of the exhibits listed on Plaintiff’s exhibit list to the extent any objections were inadvertently
6 omitted, included, or otherwise made (or not made) in error. Defendant reserves the right to
7 raise any objection, including objections not listed herein, to any exhibit offered by Plaintiff at
8 trial in light of the context or purpose for which the exhibit is being offered, including if the
9 exhibit constitutes unduly cumulative evidence or causes undue delay. Defendant likewise
10 reserves the right to raise additional objections to exhibits Plaintiff’s experts may rely upon,
11 should Plaintiff seek to publish those exhibits to the jury or admit those exhibits into evidence.

12 Defendant objects to the admission of any exhibit listed here for which Plaintiff fails to
13 establish authenticity, lay a proper foundation, or otherwise fails to establish a necessary
14 predicate for admission. By listing or omitting evidentiary objections herein, Defendant does not
15 concede the relevance, foundation, authenticity, or admissibility of such evidence.

16 Defendant’s identification of evidentiary objections here does not limit, in any way, the
17 scope of any of Defendant’s *in limine* motions seeking the exclusion of evidence listed on
18 Plaintiff’s exhibit list – including, but not limited to, Defendant’s *in limine* motions served on
19 October 28, 2024 and filed on November 11, 2024 – and including as to exhibits for which no
20 objection is raised here.

21 Defendant’s identification of evidentiary objections here does not limit, in any way, the
22 scope of any of the arguments Defendant has raised concerning the Court’s rulings on the
23 Parties’ motions *in limine*, or any argument Defendant may raise at or after trial concerning the
24 Court’s rulings on evidentiary disputes, including, but not limited to, the Court’s rulings on the
25 Parties’ motions *in limine*.

26 Defendant reserves the right to raise additional objections to Plaintiff’s exhibits based on
27 (i) court rulings before or during trial, including rulings on *in limine* motions; (ii) events
28 occurring at trial, including the cumulative presentation of redundant evidence or other forms of

unnecessary delay; or (iii) Plaintiff's identification of additional exhibits that present further grounds for objecting to those listed here.

The numbers listed in Defendant's objections refer to the corresponding Federal Rule of Evidence; "802" encompasses all forms of hearsay objections including but not limited to hearsay within hearsay; "602" includes but is not limited to objections for lack of foundation.
